Dear parents and guardians.

Greetings

The School will be resuming online lessons on Tuesday the 4th of May 2021 as communicated in the last circular. The resumption of online lessons would have marked the opening of our 2nd Term according to our original plan.

The teaching and learning programme for Term 2 will be set up and run as follows.

The School will be divided into two groups that is Group 1 and Group 2. Group 1 will consist of Form Ones, Form Twos and Upper Sixes. Group 2 will consist of Form Fours, Form Threes and Lower Sixes. The groups will take turns to come to school for face to face lessons. Each turn will last one calendar week. While one group will be attending face to face school, the other group will be having online lessons at home.

Group 1 will come in the first week that is from the 4th to the 7th of May. Group 2 will then come in the second week that is from the 10th to the 14th of May. Group 1 will come again in the third week of May that is from the 17th to the 21st. The groups will continue alternating like this until the 4th of June.

From the 7th of June to the 25th of June the school will continue online for both groups. Then from the 28th of June the two groups will resume face to face school alternating as before. Group 2 will start the face to face learning from the 28th of June to the 2nd of July. Then Group one will also come for their face to face learning from the 5th of July to the 9th of July. Please note that **only** classes with afternoon lessons should remain at school after 1:00 O'clock in the afternoon. All other students are expected to go home at the end of their lessons at 1pm in order to minimize the risk of Covid-19 infections. This must be strictly adhered to. A fine of US\$1.00 has been proposed for students who are left loitering, as this endangers them since they would be unsupervised.

The pick-up and drop off gates will be as follows. Gate passes will be issued to all paid up students.

Hall Gate	Main Gate	Jubilee Gate

The teaching timetable will not be altered unless it becomes absolutely necessary.

Normal school rules are still applicable without exception and learners are expected to stay confined to their respective classroom block areas and observe all COVID-19 restrictions and protocols.

Thank you for your cooperation.

School Head
